Subject: WDEQ link to Rec UAA docs, including RTC

<http://deq.wyoming.gov/wqd/surface-water-quality-standards/resources/uaas/>

I confirmed that the new website does still have the RTC docs if you want to see those. They are at the link above. Look for file 2013 0930 (RTC for comment period ending Sept 2013 dated Jan 2014) and file 2014 0314 (RTC for comment period ending March 14 dated Aug 2014).
